

2CM SANDSTONE IVORY PAVER 600 X 600

Description

The Sandstone range combines the beauty of sandstone, with the durability of glazed porcelain. The stone has been reproduced in its natural colours, preserving the design and surface to be able to bring it into our homes in all its purity. Available in 4 colours - white, ivory, grey and charcoal and a full selection of finishes and sizes, including 600x600 and 600x1200 matt for indoor areas, as well as 600x600 in both 10mm and 20mm thicknesses for outdoor use. It is the best choice to deliver a consistent indoor - outdoor flow for your house.

The 2cm thickness makes these tiles an excellent alternative to traditional hard landscaping materials. They can be dry laid onto grass, gravel or sand, and can also be installed with adhesives, or onto elevated deck jacks such as our Versijack Pedestals. Glazed porcelain with a non-slip surface that will never need sealing. These tiles will not stain or fade, they are resistant to breakage and easy to clean. Also available in matching 10mm interior and exterior tile.
