

AQUAMIX GROUT COLOURANT NATURAL GREY

Description

An easy-to-use waterborne epoxy that recolours, seals and rejuvenates existing grout joints. Formulated to provide maximum stain protection. Change the appearance and colour of your faded, stained or patchy grout with 20 colours to choose from. Also simplifies ongoing grout cleaning. For use on sanded, unsanded and epoxy grout joints. Effective for interior and exterior applications. Suitable for new or existing grout.

\$97.90 each
