

BEJMAT MOROCCAN PINK 50 X 150

Description

SOLD IN FULL BOXES ONLY.

Authentic Bejmat tiles are 100% handcrafted in Morocco using centuries old techniques. There will be noticeable variations in thickness, shade and size, which are inherent characteristics, along with surface imperfections and irregularities such as chips, tiny cracks, pen marks and warping which add to the rustic, organic nature. These are not considered defects...this is normal, and the absolute beauty of Bejmat. THE TILE DEPOT does not recommend using glazed tiles for floor use as they may chip with impact damage and scratch.
