Description

A traditional white wall tile with matt finish in a deriable 300x600mm format. Glazed ceramic, suitable for interior walls, and available in other sizes. Rectified edges ensure minimal grout widths are required.

Warning: We do not recommend using dark grouts on white mat tiles as unless particular care is taken, some grouts can cause staining. For safe installation, ensure your tiler uses Aquamix Grout Release prior to grouting.
