

## **CORDOBA MOKA 600 X 600**

## Description

Cordoba Moka is a matt glazed porcelain tile in 600x600mm tile. Whilst it has a very uniform appearance, at closer inspection there are speckles and grains of various sizes and shades across the face of the tile. These give the cordoba series a stone-like character and also make it a very practical tile. Suitable for both floors and walls.
