

ECLIPSE VORTEX SHOWER MIXER MATTE BLACK

Description

With a wide range of options, features and colours, the Eclipse collection is square styling at its most beautiful.

with Vortex technology

Vortex technology delivers superior performance on Unequal Pressure systems. The jets have been designed using the latest venturi technology available to draw lower pressure hot water in using higher pressure cold water. This provides superior flow and temperature control.

10 Year Warranty - Parts & Labour.

\$535.00 each
