

EURO DELUXE 4V AQUA PROTECT AVENUE OAK 192 X 1261

Description

The Avenue Oak floor is a pleasant grey colour with darker brown features such as grain lines and knots.

The Vitality Deluxe collection is a great quality product made in Belgium. All floors in the range are 8mm thick with a V-groove on 4 sides. Decors have a Brushed Structure surface, which means the grain raises and hollows are visible just like those on a real wood floor.

- * 8mm thick
