

EURO DELUXE 4V AQUA PROTECT BARN OAK 192 X 1261

Description

The barn Oak is a medium golden brown colour with dark brown flecks in the grain. It has a very rustic feel, with a rough-looking surface and faint saw marks across the board.

The Vitality Deluxe collection is a great quality product made in Belgium. All floors in the range are 8mm thick with a V-groove on 4 sides. The Ipanema Oak has a Soft Touch Mat surface, with a silky mat surface imitating the feel of a wood floor with a mat finish coating
