

# EURO DELUXE 4V AQUA PROTECT SELECT WALNUT 192 X 1261

## Description

The Select Walnut floor is a rich brown colour with an interesting grain pattern, very different to Oak.

The Vitality Deluxe collection is a great quality product made in Belgium. All floors in the range are 8mm thick with a V-groove on 4 sides. Decors have a Brushed Structure surface, which means the grain raises and hollows are visible just like those on a real wood floor.

- \* 8mm thick
