

FRENCH LIMESTONE IVORY 600 X 600

Description

FRENCH LIMESTONE is a family of aggregated stones, consisting of cement infused with elements from different sources, resulting in new and unusual textured stone effects. Make the spatial effect both integrated and personalized, highlighting individuality on a single piece and creating a natural and harmonious overall mix. The collection has a lovely matt honed appearance and is available in 2 modern colourways - beige and ivory. Rectified with an P3 finish, French Limestone is a family friendly tile for residential interiors on both floors and walls.
