

HIGHLANDS LIGHT 600 X 1200

Description

Highlands evokes the raw beauty of the Scottish countryside. Its design fuses conglomerate stones, creating a rich, textured background. On top of this, fine white veins are superimposed, shimmering with a luminous effect, aimed at those who value extreme elegance, surface effects and micro-reliefs. Available in 600x1200 format, light and natural colours. Apart from that, the in & out technology makes it achieve an unbelievably high anti-slip level in wet conditions, suitable for outdoor areas. It is one of the best choices to deliver a consistent indoor - outdoor flow for your house.
