

ISLA CANYON BROWN 596 X 1195

Description

The Canyon collection comes to life in the heart of unspoilt nature, where the earth's secrets have been carved by the wind. Every grain captures the intrinsic essence of the grand rocky cliffs of the canyons, infusing your architectural projects with the magic of those wild places. The surfaces, a historical narrative of the seasons that have shaped the rock, create an impressive and eye-catching atmosphere in your spaces. Stocked in a large format 600x1200mm size in Ivory and Brown. Matt finish suitable interior floors and walls.
