

MATERICI FORESTA 60 X 250

Description

Materici is a glazed porcelain wall tile range. They are characterised by an incredibly rich, intense colour with a very high gloss finish. Available in a contemporary brick / subway 60x250mm format. Characterised by the imperfections typical of handmade majolica production, they are suitable for a wide range of interior wall coverings. Available in 2 colours Foresta and Stagno each comes with a range of shade intensities. When installing, lay from several boxes at a time to ensure a good mix of shading.
