

MOSAIX PENNY ROUND MING GREEN 287 X 304

Description

Made from authentic Ming Green marble. As they are made of natural stone there will be variation from tile to tile and sheet to sheet. Golden flecks, intensity of green, abundance of white, pattern of veins and many more details inherent in the natural stone will vary in abundance and definition.

The stock received will therefore differ from in-store samples. Please check several sheets on receipt of goods. Natural stone requires sealing with a penetrating sealer before installation, we recommend doing this before your tiling commences. The stone will darken slightly upon sealing.
