

MOSAIX PENNY ROUND WHITE GLASS 293 X 310

Description

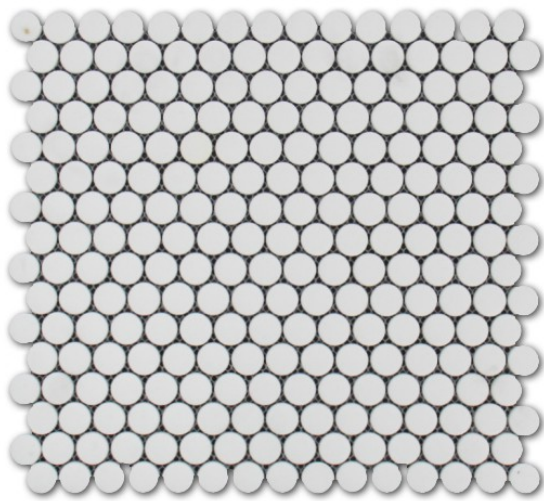

Tile Size 20mm

Sheet Size 293 x 310

Recycled Glass

Glass is a softer material than ceramic or porcelain - the surface can be scratched. We recommend wall use only.

This is a mould fired product, the change in tones and thickness among pieces is a detail which must be understood and accepted. During installation ensure you mix pieces from different boxes to avoid different colour zones. Do not use acid products or brushes with steel bristles.
