

PRESTIGIO ONYX BEIGE SOFT

595 X 595

Description

The Prestigio Onyx collection is a contemporary interpretation of Onyx stone, recreated in a porcelain tile. Absolutely stunning in its authenticity and depth of colour. Its luxurious appearance is further enhanced by its tactile appeal with a "soft" matt finish that feels amazing to the touch. There are three colours in this collection held in stock in 600x600mm format. Italian porcelain at its finest.
