

SIKAFLOOR LEVEL PRO 20KG

Description

Sikafloor Level PRO is a self-levelling underlayment used to level a substrate prior to the application of commercial & domestic flooring. Sikafloor Level PRO can be applied from 0 ? 50mm in one application and seeks its own level in minutes. COVERAGE: 20kg bag of Sikafloor Level PRO mixed with 5.2 ? 5.4L of water will cover approximately 4m² at 3mm thick, or equal 12L of product.

\$78.90 each
