

TIERRA SMOKE 50 X 150

Description

(SOLD PER BOX 0.5M2)

Authentic Tierra tiles are 100% handcrafted in Vietnam using centuries old techniques. There will be noticeable variations in thickness, shade and size, which are inherent characteristics, along with surface imperfections and irregularities such as chips, tiny cracks, pen marks and warping which add to the rustic, organic nature. These are not considered defects...this is normal, and the absolute beauty of Tierra.
