

VIA MAESTRA PERCORSI STRUTT

400 X 600

Description

Via Maestra is a stunningly realistic marble replica, with gorgeous depth of colour and amazingly smooth tactile surface. This incredible glazed porcelain tile also has a very special surface, having been produced with Microban technology. Microban ensures that up to 99% of bacteria are eliminated from the tile surface, consistent over time (effective day or night) and will not alter as a result of wear and tear, climatic conditions or repeated cleaning. Outdoor version available in size 400 X 600 and 4 colours - Percorsi, Tragitti, Cammini and Paesaggi. Also available in matching indoor version with size 600x600.
