

VODA FLOOR MOUNTED BATH MIXER CHROME

Description

The Voda Floor Mounted Bath Mixer makes a great feature alongside a free standing bath. It will fit the largest of baths with an 800mm Spout height (floor to aerator), and 195mm spout reach. It features a built in mixer with a European ceramic cartridge, making for easy operation and simple installation. Voda is dedicated to supplying New Zealand with high quality, beautifully designed tapware that is sure to last. As with all of Voda's products, the Floor Mounted Bath Mixer is covered by Voda's Comprehensive 10 Year Labour and Replacement Warranty.
